JUPITER LITHIUM AND STRATEGIC MINERAL PROJECT AGREEMENT EXECUTED

Nigeria's first tier one mining site signs strategic agreement with local government

KADUNA, Nigeria, 12th September 2023 - A joint venture agreement was executed this week for the development of Lithium resources on Eight Mineral titles held by Basin Mining Ltd and Range Mining Ltd in Kaura and Jema'a Local Government Areas of Kaduna State

The project, tagged 'Jupiter Lithium and Critical Minerals Project' is launching Nigeria's first global tier one mining project. Project Jupiter is the gateway for the international mining industry's entry into Nigeria for much sort after Lithium and other critical minerals.

The agreement took place in the presence of the Accountant General of Kaduna State, Alh. Bashir Sulaiman Zuntu and the Permanent Secretary Ministry of Environment and Natural Resources, Mal Abubakar Abba Umar. The Hon Commissioner, Abubakar Buba and Managing Director of Kaduna Mining Development Company Ltd, Dr Mohammed Nura Sani Usaini signed on behalf of Kaduna State.
